

Eyelash Do's and Don'ts

Eyelash Do's

- Sleep on your back as this will cause your lashes not to separate or bend while sleeping. This will cause your lashes to last a lot longer than expected due to your face not touching the pillow.
- When washing your face, wipe under and over the eye area carefully. Use oil-free eye makeup remover with a Q-tip if you wear eye cosmetics
- Remember to come in for maintenance when advised

Eyelash Don'ts

- Do not use an eyelash curler.
- Do not rub your eyes or lashes when washing your face. Clean around the Eyes.
- Do not pull your lash extensions, as it will take out your own lash as well.
- Do not go in a sauna while wearing Eyelash extensions.
- Do not use sunbed or steam room within 48h after treatment.
- Use only water-based mascara (You can wash it with pure water or any oil base free remover)
- Do not use eye make-up remover that contains any type of oil products such as petroleum
- Do not try to remove the Extensions on your own.
- Do not cut the Extensions (you may cut your own lashes).
- Do not let shower go directly on the extensions.
- When drying your face do not rub instead blot your face and apply a gently pressure to your closed eyes then allow the extensions to dry naturally.
- Don't try to dry them with the towel or hair dryer.
